Re: Terms of the MegaView Extrusion, Inc. right of usage fee/stipulation

The right of usage fee is a one-time fee of \$750 which gives you the right to purchase the MegaView extrusions from any of its suppliers.

**STIPULATION:** Should you decide NOT to use the patented MegaView system in your enclosure design and only purchase parts of the MegaView system, you are NOT permitted to represent and/or promote your enclosure as a MegaView product.

My signature below is confirmation that I understand and accept the right of usage and stipulation terms.

Please make checks payable to MegaView Extrusions, Inc.
